Item 1.01 Entry into a Material Definitive Agreement

The disclosure set forth in Item 2.03 is hereby incorporated into this item by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Arrangement of a Registrant

On March 17, 2015, Comstock Holding Companies, Inc. (the “Company”), through its subsidiary Comstock Two Rivers I, L.C. (the “Borrower”), entered into a loan agreement (“Loan Agreement”) and related documents with EagleBank, lender, pursuant to which the Borrower secured up to a Six Million Seven Hundred Thousand Dollar (\$6,700,000) acquisition and revolving construction loan (the “Loan”) to finance the Borrower’s acquisition and development of its Two Rivers 28’ townhouse villa project in Anne Arundel County, Maryland (the “Project”). Under the terms of the Loan Agreement, the Loan provides for an initial variable interest rate of LIBOR plus three and one-half percent (3.5%) with an interest rate floor of four and three fifths percent (4.625%). The Loan has a maturity date of thirty-six (36) months from the date of the closing of the Loan . There is no prepayment penalty associated with the Loan, which is secured by a first deed of trust on the Project. The Loan is fully guaranteed by the Company and Christopher Clemente, the CEO of the Company. Mr. Clemente has initially agreed not to charge a credit enhancement fee for the Loan as authorized by the Credit Enhancement Agreement previously entered into by and between the Company and Mr. Clemente. The foregoing summary of the Loan Agreement is qualified in its entirety by the provisions of the Loan Agreement, which the Company intends to file with its Quarterly Report on Form 10-Q for the fiscal quarter ending March 31, 2015.

SIGNATURES

Pursuant to the requirements of the Securities Exchange Act of 1934, the Company has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
